

NORTHWEST HARRIS COUNTY MUD #5 PHASE 1 CONSTRUCTION - UPDATE APRIL 2021

SPRING CYPRESS BRIDGE AND NODE SIGNAGE INSTALLATION IN PROGRESS

The Phase 1 trails project continues to progress throughout the 5 mile trails system. The final bridge at Spring Cypress Road near Telge Road was installed and the Contractor has begun installation of a few of the several trail nodes that will be located along the trail. Trail segments in Fairwood and Lakes of Northpointe are under construction. The Contractor will be working on the undercrossing at Spring Cypress Road and Faulkey Gully at the eastern edge of the District over the next several weeks.
