

NORTHWEST HARRIS COUNTY MUD #5

PHASE 1 CONSTRUCTION - UPDATE NOVEMBER 2021

TRAIL CONNECTION TO FAULKEY GULLY

UNDERCROSSING OF SPRING CYPRESS

We are entering the final phases of construction of the trail system for NWHCMUD #5. Work continues at the undercrossing of Spring Cypress Road at Faulkey Gully. A walk connection from the south side of Spring Cypress Road has been added while the main walk under the roadway is complete. Contractors will be installing additional decorative paving at the undercrossing to create access for maintenance crews. Phase 2 trail construction is progressing as well with major portions of the concrete trail complete.
